Full applications are available for review at the library circulation desk.

Shannon Jones

A resident of Jefferson Township, Shannon is seeking re-election to the library board. Shannon has a BS in Environmental Science and Biology from Westminster College. She has been an active member of the Burton Homeschool Co-op as a board member; 4-H club head advisor; the Ashtabula County 4-H Equine Committee Secretary and Advisory Committee Secretary. As a current member of the Henderson Library Board of Trustees, Shannon has served as chair for the Personnel Committee and Planning Committee. Shannon states that her family has been homeschooled for thirteen years, from preschool through high school and would like to support the library and staff with the promotion of fair wage, benefits, and opportunities.

Christopher Miller

A resident of Conneaut, Chris is seeking re-election to the library board. Chris is currently the bank manager at Community First Credit Union in Jefferson, Ohio and has served as bank manager for First Commonwealth Bank and First Merit Bank. Chris serves as treasurer for the Jefferson Area Chamber of Commerce and has also served as president for the Jefferson Rotary. As a current member of the Henderson Library Board of Trustees, Chris serves as the chair for the Finance Committee. Chris states that he would like to continue to assist the library grow financially and expand in community services.

Scott Wludyga

A resident of Concord Township and working as Superintendent of Ashtabula County Technical & Career Campus, Scott is seeking election to the Henderson Library Board of Trustees. Scott has been active in multiple organizations in the community, including Sons of the American Revolution, NEO #12, and as Historian & Secretary of the Junior Achievement Advisory Board. According to Scott, the library is a valuable resource in the community, promoting literacy in society and offering education and programming to residents of all ages. He would like to help build awareness of community-involved programming and assist with connecting schools with the library as an educational partner.
