

HENDERSON MEMORIAL PUBLIC LIBRARY

March 14, 2020

After much consideration and in response to Governor DeWine's orders closing K-12 schools & prohibiting mass gatherings and the National Emergency declared by President Trump, the Henderson Library will be closed as of Monday, March 16, 2020 until further notice.

All programs, services, and outreach events have been cancelled or rescheduled at this time. Fines will not accumulate during this time and we recommend that patrons keep their library materials at home and not put them in our book drop.

We hope that this action minimizes the exposure of this disease to our community and encourage our patrons to take precautions as set forth by the CDC. For more information on the Coronavirus, visit the State of Ohio Department of Health website or by calling 833-4-ASK-ODH.

We strongly recommend our patrons to take advantage of our online resources, open 24/7, which include e-books, audiobooks, movies, and music via the Hoopla app and the Libby app.

The Henderson Library will continue to monitor the pandemic situation and respond accordingly. Please follow us on social media (facebook) and our website www.henderson.lib.oh.us for further updates.
